GAMING SOCIAL MEDIA

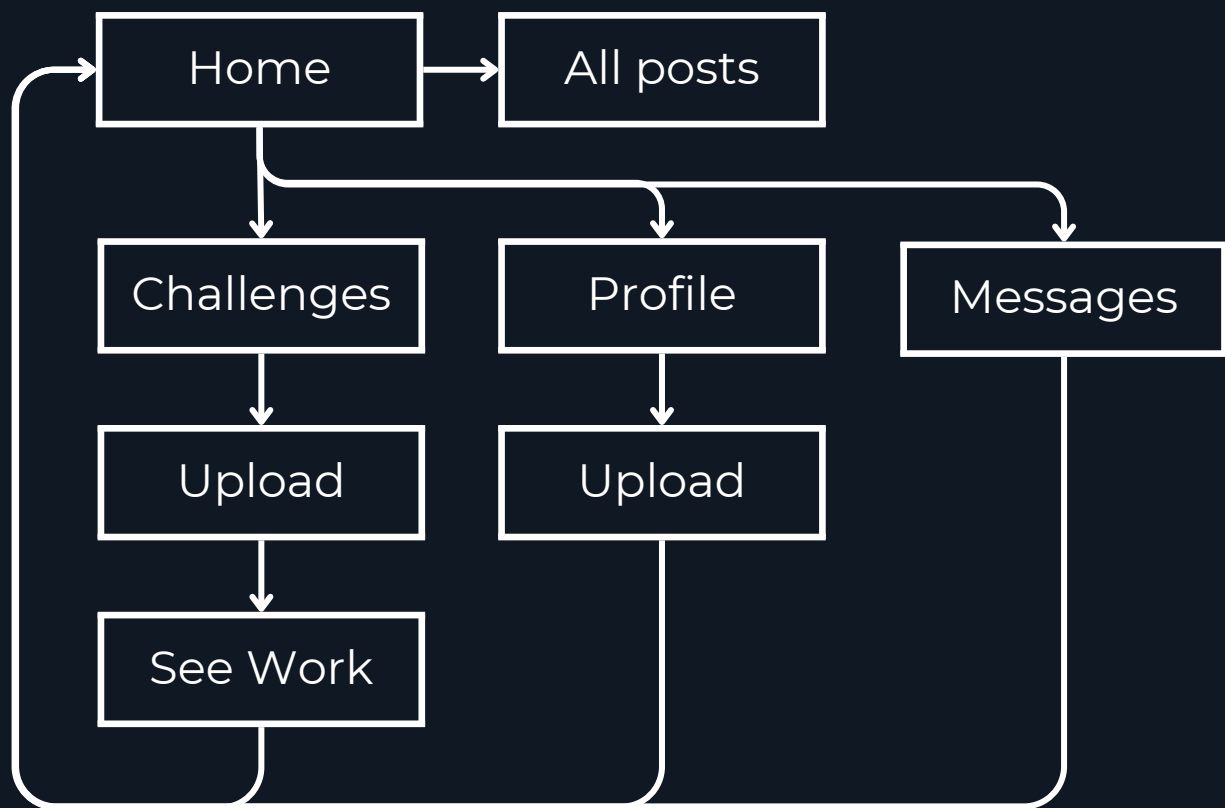

{website on github}

Target Audience

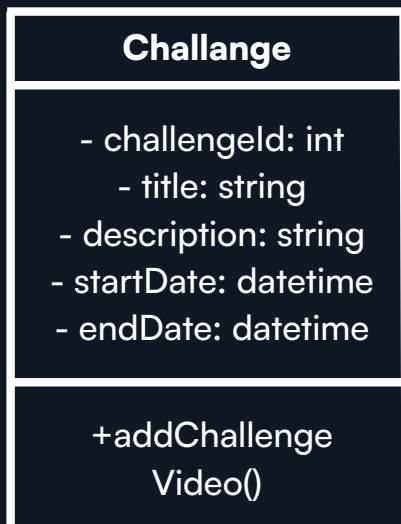

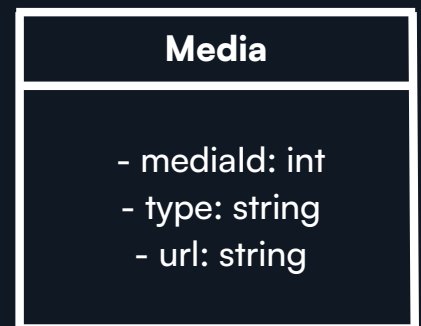

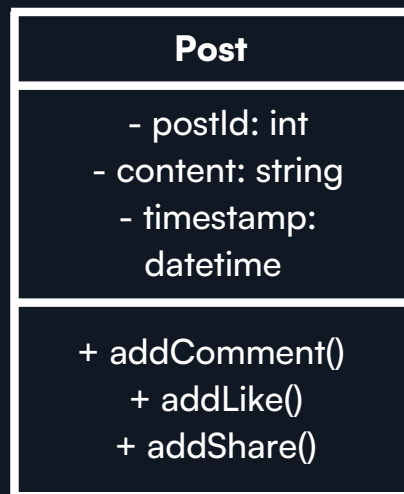

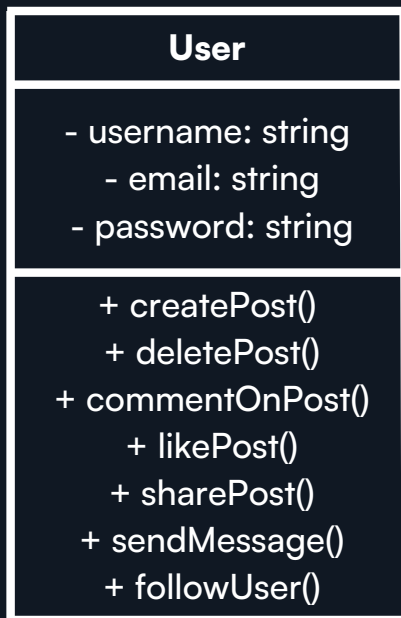

The website is going to be where gamers go to submit their videos! In this website you can post your best game moments and creative works, interact with other players, and peruse a wide variety of stuff. you can also take part in challenges, and get comments.

The website is going to be for gamers with all skill levels of players, content producers, community builders, competitive players, and creative partners. The website offers a vibrant community where you can share your gaming clips, connect with like-minded individuals, take part in challenges, and stay informed about the gaming industry — whether you're a casual gamer, a skilled artist, or someone who enjoys keeping up with the latest gaming trends.
